

# BLUEBEAM ME UP!

# BLUEBEAM 40% OFF

## LEVEL UP CAMPAIGN

01 FEB - 15 MARCH 2024

Bluebeam is bringing "Level Up" campaign to LIVE once again for the year 2024. This a limited-time offer dedicated to our past customers. Starting **February 1, 2024**, and running until **March 15, 2024**, this unique opportunity is exclusively available to previous Bluebeam Revu users who currently do not have an Active Maintenance subscription or have not transitioned to the Complete subscription plan.

Under this campaign, each perpetual seat without maintenance is eligible for a discounted rate. This offer is a token of Bluebeam's commitment to ensuring all its customers, new and old, have access to the latest and most efficient versions of Revu and Studio.

This is a golden opportunity for past customers to reintegrate into the Bluebeam community and benefit from the latest advancements in project efficiency tools. Don't miss this chance to level up your Bluebeam experience with **40% Off!**

**CONSTRUCTION TAKEOFF  
A COMPREHENSIVE GUIDE**

Read our detailed blog to understand **what is construction takeoff** and unwrap all its aspects and process that you must know for the right construction estimation and quantity takeoffs.

### What is Construction Takeoff?

Precision and accuracy are paramount when delivering reliable and profitable construction projects. Accurately estimating material quantities is crucial for budgeting, resource allocation, and project planning. The **Construction Takeoff** is the linchpin that ensures every component, whether raw materials or synthetic products, is precisely identified, assessed, and utilised.

The construction takeoff heavily relies upon industry-specific standards and specifications, making it a very technical and diverse methodology based on the nature of the project lifecycle.

## OUR LEGACY

Digitising Construction since 2003, Brighter Graphics takes pride in being the pioneer and largest Bluebeam reseller in the UK. With our dedicated commitment to unmatched customer service and support, we have earned the status of a Bluebeam Platinum Partner. We are thrilled to announce that we have expanded our reach and are the largest Bluebeam reseller in Europe.

As you can see we have been working on a lot of things recently so we'd love you to stay connected with us as we bring you more valuable and insightful content directly to your inbox.

We also value your opinions! We genuinely want to hear your thoughts and comments as we move forward. We do this to be the best Bluebeam partner in the world and without your help and continued support over the years we wouldn't have got to the position we are in so continue to give us feedback that helps us improve our service.

We love Bluebeam and want you to use the software to its full potential. Whether its licensing, training, support or just a quick call to see whats happening out there in the world of Bluebeam, the team at **Brighter Graphics** and I would be happy to speak to you.

### Here are some specific ways you can help us improve our newsletter:

- Tell us what you like and don't like. What topics do you find most interesting? What kind of content would you like to see more of?
- Share your feedback on the design and layout of the newsletter. Is it easy to read? Are the images clear and engaging?
- Suggest new features or improvements. Do you have any ideas for how we can make the newsletter even better?

### Here are some additional benefits of staying connected with us:

- You'll be the first to know about new features and products from Bluebeam.
- You'll get exclusive access to discounts and promotions.
- You'll be able to connect with other Bluebeam users and share ideas.

So what are you waiting for? Stay connected today!
