BLUEBEAMMEUP!

BRIGHTER GRAPHICS NEWSLETTER

MONTHLY

Welcome to the November edition of our Bluebeam newsletter! Stay up-to-date with all things Bluebeam, from the latest software releases to industry news and expert insights.

In this issue:

- ◆ **New Bluebeam Release:** Bluebeam V21.0.50 is now available and packed with new features that enhance collaboration and productivity. Explore the latest enhancements, including the multiply feature, custom captions, and centre coordinates which have been met with Revu user reviews.
- ◆ **Bluebeam Training:** Elevate your skills with our upcoming training session, led by the renowned Troy DeGroot. Join us on November 30th for a comprehensive training experience at a special discounted price of £99 per user.
- ◆ **Bluebeam Cloud Deep Dive:** Delve into the world of Bluebeam Cloud, our cloud-based platform that empowers project teams to collaborate seamlessly across locations and devices. Watch our latest YouTube video to uncover the power and flexibility of Bluebeam Cloud.
- ◆ **Construction Bros Podcast:** Tap into the expertise of the Construction Bros, renowned construction industry podcasters. Tune in to their recent episodes to discover how Bluebeam has become the go-to software for construction professionals worldwide.
- ◆ **Shahzaib Certified as Bluebeam Instructor:** We are thrilled to announce that our very own Shahzaib has joined the exclusive club of Bluebeam Certified Instructors! This prestigious certification recognizes Shahzaib's deep expertise in Bluebeam products and his commitment to helping users achieve their project goals.
- ◆ **Bluebeam Subscription FAQ:** We understand you may have questions about Bluebeam subscriptions. To address your queries, we have compiled a comprehensive FAQ that covers the most frequently asked questions. Get clear and concise answers to your subscription-related concerns.

Thank you for being a valued subscriber to our Bluebeam newsletter. We hope you find this issue informative and engaging. If you have any questions or require further assistance, please don't hesitate to contact us. We are always here to help.

Sincerely,

Shan Chaudri

BLUEBEAM®

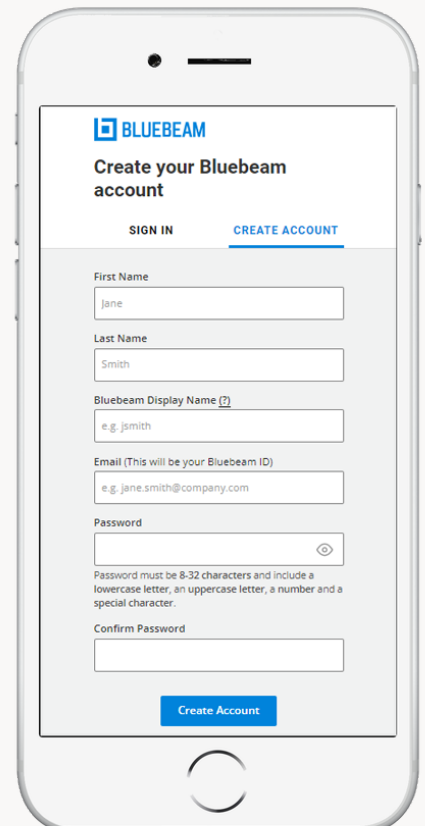

SUBSCRIPTION UPGRADE GUIDE

With the debut of Revu 21, Bluebeam has shifted to a subscription model and replaced previous versions. To continue with the Bluebeam updates and support with active maintenance, it is mandatory to upgrade to the Bluebeam Revu 21 subscription. (Read Subscription FAQs [here](#))

You can convert your perpetual licences (with Active Maintenance) to a Bluebeam Complete subscription without paying for any subscription or licence cost.

Read/Watch our detailed guide to walk through the step-by-step process of Bluebeam subscription upgrade by converting and upgrading your existing perpetual licences to the latest version of Bluebeam -V21.

OUR LEGACY

Digitising Construction since 2003, Brighter Graphics takes pride in being the pioneer and largest Bluebeam reseller in the UK. With our dedicated commitment to unmatched customer service and support, we have earned the status of a Bluebeam Platinum Partner. We are thrilled to announce that we have expanded our reach and are the largest Bluebeam reseller in Europe.

As you can see we have been working on a lot of things recently so we'd love you to stay connected with us as we bring you more valuable and insightful content directly to your inbox.

We also value your opinions! We genuinely want to hear your thoughts and comments as we move forward. We do this to be the best Bluebeam partner in the world and without your help and continued support over the years we wouldn't have got to the position we are in so continue to give us feedback that helps us improve our service.

We love Bluebeam and want you to use the software to its full potential. Whether its licensing, training, support or just a quick call to see whats happening out there in the world of Bluebeam, the team at **Brighter Graphics** and I would be happy to speak to you.

Here are some specific ways you can help us improve our newsletter:

- Tell us what you like and don't like. What topics do you find most interesting? What kind of content would you like to see more of?
- Share your feedback on the design and layout of the newsletter. Is it easy to read? Are the images clear and engaging?
- Suggest new features or improvements. Do you have any ideas for how we can make the newsletter even better?

Here are some additional benefits of staying connected with us:

- You'll be the first to know about new features and products from Bluebeam.
- You'll get exclusive access to discounts and promotions.
- You'll be able to connect with other Bluebeam users and share ideas.

So what are you waiting for? Stay connected today!
